Objectives of the School Clubs

- 1 Prepare secondary school students to become effective leaders and global changemakers.
- 2 Encourage secondary school students to think independently and develop their own solutions to life's challenges.
- 3 Assist secondary school students to set SMART goals and strategize properly on how to achieve them.
- 4 Equip secondary school students with essential soft skills necessary for them to excel in accomplishing their goals.
- 5 Help secondary school students enhance their understanding and appreciation of diversity.
- 6 Help secondary students envision, manifest, and achieve their BIG dreams in the future.
